SUBJECT Yugoslav Attempts to Recruit Austrian  
Doctors

PLACE  
ACQUIRED

25X1A

DATE OF INFO.

25X1X

A Yugoslav governmental mission in Austria is making every effort to recruit approximately one hundred doctors, of whom more than half will be assigned to the military services. Reportedly, the Yugoslavs will offer these doctors a salary three times greater than that normally given to Yugoslav doctors; in addition, they will have the right to send to their families one half of their salary in foreign currency. In spite of these favorable conditions only fifteen doctors have so far agreed to serve.
